## Produce Traceability / PTI E-Z Labeling Solution

Many produce growers, packers and shippers wish to comply with PTI Guidelines, but also want to keep their investment of time and money affordable.

Our solution is the **PTI E-Z On-Demand Print System**. With this streamlined system, you'll enjoy these advantages:

- Expert assessment of your needs
- Smart printing system –  
**No computer needed**
- Choice of label sizes and templates  
GTIN and batch sequence development and initial data programming
- Barcode scanner (for data input)
- Installation and training
- Consulting support available

This system is expandable to large scale production.

If this sounds like what you've been hoping for, we can help you easily launch your own PTI program.
